

LORD HOWE ISLAND BOARD

New Installation – Application for Supply

To be submitted no later than three months before supply is required.

A sketch plan of the portion showing all boundaries and adjacent portion numbers is to be submitted with this form. The plan should show the building where supply is required and indicate a preferred location of the external meter box.

Applicants should not incur any expenses in anticipation of receiving electricity until they have ascertained that the supply can be made available and of the conditions under which the supply is given.

Printed copies of the Service and Installation Rules are available from the Board upon request. Each applicant is advised to be familiar with them prior to completing this form.
